

NSC Keystone 2011 Weeklong Ski Trip

For the first time ever, join the NSC in Summit County Colorado for a high-value ski week at the River Run neighborhood of Keystone Ski Resort. With 3148 skiable acres and plenty of Rocky Mountain snow, our base resort of Keystone will foot the bill for 5 days of world-class skiing by itself. For you die-hards, night skiing is available at Keystone. Also, snow-

KEYSTONE®

cat skiing with Keystone Adventure Tours (KAT) is available for an additional fee (arranged on an individual basis, not by the NSC). In addition, for those who want to ski two world-class resorts while bypassing public transportation, the NSC has arranged to package a total of two optional and scheduled chartered NSC-private bus trips to

nearby Vail and Breckenridge resorts for one day each of skiing. For those of you that wish to ski all six days, note the \$19 add-on price! Lodging will be at the River Run condominiums at Keystone in four-star, 2-bedroom, 2-bath, 4-person units that are a short (about 100 yards max) walk to the River Run Gondola. Plenty of shops and eateries abound at the base area, and a short 17-minute shuttle ride can get you into the heart of the nearby town of Dillon where more after ski possibilities exist. The flight originating from the Bay Area is nonstop. Check out the package price below and visit the resort website at www.keystoneressort.com and you will discover the value of this 2011 NSC weeklong trip!
