

SF STAIRWAY HIKE 7 – ST. FRANCIS WOOD/MT DAVIDSON AREA, SUN. AUG. 16 or 23, 2015 by Hoyt Nelson and David Schultz (NOTE: Since Aug. can be hot, I set the date for the 16th. If it looks hot, I will re-schedule for the 23rd.)

It's a new Stairway hike in a new area (for NSC) of SF, between Mt. Davidson and Stern Grove. Posh neighborhoods, mountain trails, fabulous panoramic city views and lots of stairs. We meet at the corner of Ulloa and Kensington Way. Coming N from SJ .take 280, 19th Ave and go R onto Sloat. After 4 short blocks, bear L onto Portola Dr. (**not** the **full** L onto Portal). Take the 2d L after Claremont onto Kensington Way. The next street on Kensington is Ulloa where we meet. From the East: Consult GoogleMaps.com or equiv. Bring the usual sturdy walking shoes, layered clothing, camera, hat, snacks, money for lunch (optional) and energy. The hike will take about 4 hrs. There will be an optional lunch afterward.
