

Want To Learn How to Play MahJong?

Do you want to learn how to play MahJong but don't know anyone who can teach you? Then, sign up for the NSC Mah Jong class and potluck! Judy Hom and Janet Gee will teach you the basics so you won't be intimidated to play with others. We will focus on the Cantonese style where we play with 13 tiles and flowers. If Mah Jong is on your bucket list, then sign-up! When you sign up, you will receive a cheat sheet and a list of MahJong resources. We know that all NSC members like to eat so this is also a potluck event.
